

Manufacturer's Certification Statement

The Energy Efficient Home Improvement Credit (Section 25C)

Applicable to a homeowner or tenant's primary residence

DuPont certifies that the following DuPont products, when properly installed per manufacturer's instructions, meet the requirements of "Qualified energy efficiency improvements" as defined under Section 25C of the Internal Revenue Code and as amended by the Inflation Reduction Act of 2022, signed into law August 16, 2022 (as written in [26 USC § 25C\(c\)\(1-3\)](#)).

Eligibility for 25C Home Improvement Credit

The credit is available to homeowners or tenants, but only for their principal residence, and can be used annually, covering 30% of eligible expenses up to \$1,200 per year. We recommend taxpayers retain this form along with product receipts. Circumstances vary widely, so homeowners should consult with their tax, legal or accounting adviser for further guidance.

All official information related to the tax credit will be determined and published by the IRS. Use Form 5695 to file this credit. All revisions are available at www.irs.gov/form5695.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.
