

# Frequently Asked Questions

## ✓ **What is Teaming up for Safety<sup>SM</sup> about?**

Teaming up for Safety<sup>SM</sup> is an interactive event for all who are interested in safety. It will include various sessions such as panel discussions, demonstrations, Q&A's and case study presentations, giving attendees a chance to exchange ideas, network with peers and learn more about the current safety trends. The conference will have two streams running on both days. Each day will consist of a keynote speech and around five hours of 20-30-minute sessions covering multiple topics around personal safety & Personal Protective Equipment.

## ✓ **When and where will Teaming up for Safety<sup>SM</sup> take place?**

The event is taking place on the 18-19th of May 2021 and will be on-line. You can access more detail about the event as well as options for registrations at [www.teamingupforsafety.com](http://www.teamingupforsafety.com)

## ✓ **Is the Teaming up for Safety<sup>SM</sup> for me?**

The event was designed for all those who are passionate about safety. It gives the safety community a chance to come together and pool knowledge. While DuPont hosts the conference, we are excited to team up with leading safety experts from with multiple backgrounds as well as renowned safety associations for a truly inclusive event. The event will be mainly focusing on EMEA region's needs and perspective, but other regions are welcome to join the event as well.

### ✓ **Who will be the keynote speakers at this event?**

The speaker list features experts from organizations across the global health and safety spectrum, World Health Organization (WHO), European Safety Federation (ESF), British Safety Industry Federation (BSIF) and South African Institute of Occupational Safety and Health (SAIOSH). The agenda will also include speakers from the frontline of the emergency response sector, including the International Association of Fire Fighters (IAFF). Companies from different sectors, including the automotive manufacturer Renault, healthcare solution provider Novartis, chemical producer BASF and hazardous waste management expert Veolia, will also share peer-to-peer insight into how they have resolved their safety challenges.

### ✓ **How do I sign-up for Teaming up for Safety<sup>SM</sup>?**

Please sign-up at [www.teamingupforsafety.com](http://www.teamingupforsafety.com) and save your seat at the conference.

### ✓ **What is the ticket price for joining Teaming up for Safety<sup>SM</sup>?**
